2. Shopping List of items

As you already know, The Basket Brigade is a Non Denominational organization of volunteers who come together each year and provide baskets of food families who are less fortunate than we are. Last year (our 25th year) we delivered 1,580 baskets which fed more than 7,000 people.. **And You were a Huge Part of It !**

This year we look forward to working with you again. As we discussed in our meeting, we will be needing between 1,300 to 1500 turkeys. About a 12-15 lb range. Also we would like to see about purchasing bulk food items to help put money in to your business and we know that the turkeys are generally a loss for you at the prices you have generously given us as your donation to the Basket Brigade.

Accordingly, we request your **BEST PRICES** on the following list of items. Please note that you should individually price each line item since we may purchase only that item, depending on our budget. **Just list quantity sizes that make sense and the case quantity size you are offering, so we can evaluate your offer. You may substitute items or even add additional items to match your stock as you see fit.**

Most importantly, you may wish to also **DONATE** items in addition to the list that we intend to purchase, and that would be also greatly **Appreciated**.

We ask that you return your priced proposal no later than **Friday, Nov. 1st** by either calling us to pick up, or e-mail myself at the address below.

Thank you for your continued support for this wonderful charity.

David Cathers
